Note for Exporters

Where an authorised officer marks a container as passed on this record, this means that a container has been approved under Chapter 9 Part 6 of the *Export Control (Plants and Plant Products) Rules 2021* (Plant Rules 2021). Under section 9-34 of the Plant Rules 2021, this approval is valid for 90 days from the date of approval or as otherwise approved by the Secretary and ceases to have effect once loading of the container is complete or the approval is revoked. This record is the approved form for a container inspection and approval under section 9-33 of the Plant Rules 2021.
